Subject: Grant of 13% adhoc increase in Bhutan Compensatory Allowances.

Ref: Govt of India, BRDB letter No BRDB/03/71/2010/GE-1 dated 03.02.2011, this office letter of even no dated 11.03.2011 and your HQrs letter No 18363/BCA/DGBR/139/E2A(T&C) dated 09.05.2011..

Sanction for 13% adhoc increase in the rates of BCA wef 01.04.2011 was accorded vide Govt of India, BRDB letter quoted above. However there was error in the BRDB letter quoted above and hence the case was referred by the PCDA (BR) to your HQrs for issuing necessary correction. In response it was intimated vide your HQrs letter dated 09.05.2011 that the subject case has already been submitted to Sectt BRDB for taking up the case with MEA. Your HQrs Note No 18363/BCA/DGBR/T&C dated 27.04.2011 refers. However the revised Govt letter rectifying the errors is still awaited. This office is receiving frequent representations from the units, even RTI representations from the individual for non crediting of revised BCA. Hence it appears that the above position has not been intimated by your HQrs to the units under command.

2. It is therefore requested that the above aspect may please be intimated to the units under command for information of all officers and personnel so that correspondence regarding non-crediting of BCA at enhanced rate can be curtailed/avoided.

The matter may be accorded **"TOP PRIORITY"**.
